

**Handclaps Guitars**  
**Chiddy Bang**

HANDCLAPS & GUITARS by Chiddy Bang  
Linh-Thong Nguyen

Key Signature: A major  
Capo: 2

Chords:

**F#m**

**A**

I like the sound of acoustic guitars, so it looks like this:

[**F#m**, 044055]

[**A**, 540055]

NOTE: The song is very repetitive in the guitar chords;  
it s F#m, then A, ad infinitum.

Let s go!~

[VERSE 1]

Everybody s simple then and these niggas is simpletons  
Tell them bitches fall back, just like they was limboin  
We still got a Acura but show time we be limoin  
Rest in peace to the dead, bring that white widow in  
Chiddy s 90s baby, it ain t gold and shiny baby  
She been tryin to buy me lately  
Got a temper tiny baby  
Yeah, swelly is just a movement, hope you understand that  
Yo, Xaph, it s crazy how we sample on that hand-clap  
And that s quite amazing if they ask me  
Shit, does somebody have a L that they could pass me?  
I upgraded to a little more classy  
I guess I got this in the bag, we should have tea  
English girls, English girls, shorty said she came in part  
To the fact I m good with words, yeah I got that language arts  
Cruisin by the ocean cause I know this is a game of sharks  
Music and money, bet I never let it change my heart

[HOOK]

**F#m**

**A**

Oh oh ooh oh, I just came to party

[VERSE 2]

Grind don t stop, I m on top  
Liquor closes 9 o clock  
And they say I m dripping swell, somebody should find a mop  
I be where it s sunny then I m touring where the climate drops  
Watch for police then hit boutiques like it is time to cop  
Yeah, I m just trying to park, so can I find my spot?  
Paris complainin sayin we don t spend time a lot  
I m super chill, but I think that s just the pot in me  
Plus we be feelin like that movie that they gotta see  
So, who hot as me? Take a bitch on a Oddyssey  
We just smoke a lot of tree, it s good for the economy  
Yeah I m still up on my grizzly, Mike Conley  
That was just a preview, cause they got nothing on we  
Fresh whenever comin out, mixtape laundry  
Started off a van, elevated to an R&V  
Then a few niggas got emotional, R&B  
Cause when your shit get in their face it really ain t hard to see

[HOOK]

REMEMBER: Add flourishes, if this gets a little boring.
