[by Robin_Hood85]

Bbm F# D# Fm Bbm F#
You said you ve been waiting all alone in my bed.

D# Fm
But how long?

Bbm F# D# Fm Bbm F#
must you wait for some emotion to flow out of my head?

D# Fm
How long?

Bbm D# Fm D#
These walls are so thin, I keep my secrets in.

Bbm D# Fm
But when I took the walls apart, I didn t mean to
D#
break your heart.

Bbm F# D# Fm Bbm F#
You said you ve tried everything to get in my head.

D# Fm Bbm F# D#
And you said, how long (how long)

Fm Bbm F# D# Fm
when you open up your eyes to the sun, will rain come?

Bbm D# Fm D#
Don t leave me on my own in this gossip ridden town.

Bbm D# Fm D#
Don t leave me all alone spinning endlessly around.

Bbm D# Fm D# Bbm
You wish I would let you in, well let me let you in.

Bbm D# Fm D# Bbm
I let you under my skin, just let me let you in.

Bbm D# Fm D# Bbm
You wish I would let you in, well let me let you in.

Bbm D# Fm D# Bbm

I let you under my skin, just let me let you in.

You said that you re scared of every step that you tread.
And you said like me everything is not what it may seem.
How long until you leave me all alone with my fences falling down?
I ll be screaming on my own in this gossip ridden town.

You wish I would let you in, well let me let you in.
I let you under my skin, just let me let you in.
You wish I would let you in, well let me let you in.
I let you under my skin, just let me let you in.

(la la la la la la, la la la la la la, la la la la la la, la la la la la la)

You said that!

You wish I would let you in, well let me let you in.
I let you under my skin, just let me let you in.
I wish I would let you in, well let me let you in.
I let you under my skin, just let me let you in.
