F#7M	E7M		
I had a dream			
		F#7M	
I had a dream I was flying over all of us			
E7M			
There were so many pretty people			
	F#7M		
So many pretty faces			
	E7M		
I talked to some birds			
	F#7M		
I fell in love again			
	E7M		
And none of this ever ended			
	A7M	F#m	G#m7
Everything just kept going and going and going			
	E		
And even when you laughed you cried			
	A7M	F#m	
And even when you were sad you were really happy			
	G#m7		
Because you were here			
	E		
And I got to meet every star			
	A7M		
Every planet			
	F#m	G#m7	
Everything that made me			
	E		

And we all kissed

A7M

And became the same

F#m G#m7

We became the same

E

We became the same

	A7M	F#m	G#m7	E

F#m

Who would have thought this

G#m7

We almost lost it

C#m7

A7M

When you lie inside darkness it s hard to see

F#m

And we sleep in tradition

G#m7

Keep them off in the distance

C#m7

A7M

To tell you that I haven t been

F#m G#m7 C#m7 A7M

We are all cold water

F#m G#m7 C#m7

Why try at all? Why bother?

A7M F#m

Just hold me close my darling

G#m7 C#m7

Just hold me close my darling

A7M F#m

Just hold me close my darling

NC A7M

Just hold me close my darling

F#m

Who would have dreamed this?

G#m7

You couldn t mean this

C#m7

A7M

Could it be some type of meanness where you are?

F#m

G#m7

Cause I don t know where to go

C#m7

A7M

And no one else seems to know

F#m G#m7 C#m7 A7M

We are all knights fallen

F#m G#m7 C#m7 A7M

Why try at all? Dark calling

F#m G#m7

So we re left alone

C#m7 A7M

No one left to call upon

F#m G#m7

Be still now, broken bones

C#m7 A7M F#m

As I travel on just hold me close my darling

G#m7 C#m7

Just hold me close my darling

A7M F#m

Hold me close my darling

G#m7 C#m7

Just hold me close my darling

(A7M F#m G#m7 C#m7)

(A7M F#m G#m7 C#m7)

A7M F#m G#m7

So we re left alone

C#m7 A7M

No one left to call upon

F#m G#m7

Be still now, broken bones

C#m7

As I travel on just hold me close my darling

Just hold me close my darling

Hold me close my darling

Just hold me close my darling
