G
Californ...ia

G
Well, I know you now, understand you now

G
and I love you more each day

C **F**
California girl, California girl

Dm7 **G** **C**
Your the best thing that I ve seen in a while,

C **F**
California girl, California girl

Dm7 **G** **C** **F**
There must be something magic in your smile.

C **F**
Now when I came to this California town

Dm7 **G** **C**
I came here to make the big time,

C **F**
And I tried so hard, but got no reward

Dm7 **G** **C**
and it seemed like I was wasting my time.

E7 **Am**
I was kicking around this lonesome town

G
Trying to pick myself up instead of going down

E7 **Am**
But something sure changed when I met u,

G
California now is looking bright and blue

C **F**
California girl, California girl

Dm7 **G** **C**
Well, it seemed like I was wasting my time,

F
But now I know you girl and I love you girl

Dm7 **G** **C** **F**
And it seems like California is all mine

Instrumental:

C **F** **Dm7** **C**
C **F** **Dm7** **G** **C**

E7 **Am**
I ve been knocking on doors trying to sell my soul

G
I ve been getting refused everywhere I ve gone

E7 **Am**
But something sure changed when I met u

G
California now is looking bright and blue

C **F**
California girl, California girl

F **Dm7** **G** **C**
well I don t know how to say what s in my mind

F
But now I know you girl and I love you girl

Dm7 **G** **C**
And it feels like California is all mine

Dm7 **F** **G**
Well it feels like California is all mine
