

My Crush

China Anne McClain

Hi guys! I really really love the show A.N.T. Farm, and love their songs, but noticed there weren't any posted, so I thought I'd go for it. This one is really easy, it's just the same chords over and over. I was a little unsure about the bridge, since there's no guitar, just violin in it, but I'm pretty sure it's the same as the verse and chorus.
