

My Crush

China Anne McClain

Hi guys! I really really love the show A.N.T. Farm, and love their songs, but noticed there weren't any posted, so I thought I'd go for it. This one is really

easy, it's just the same chords over and over. I was a little unsure about the bridge, since there's no guitar, just violin in it, but I'm pretty sure it's the

same as the verse and chorus. If you have any corrections, just leave a comment or

email me at kidnapmyheart14@rocketmail.com. Rate and comment please!!
