```

      B           E       B
Wake up wake up king in a catholic style
      E       B
with your man with your man make up
              E       B
and your big money business smile
      B
cut em up cut em up
      E       B
crucial to every child
              E       B
with a mind with a mind made up
              E       B
and your main man confidence smile

```

```

      A           D       A
the residential black sea band
              D       A
they rose up out of a sinking sand
              D       A
the presidential elect man said
              D       A
for what you want take me instead

```

B  
wake up wake up  
E B  
exercise your every right  
B E B  
with your plan on the up and up  
B E B  
and your prize money struggle in sight  
B  
cut em up cut em up  
E B  
physical in every way  
B E B  
tough enough tough enough face up  
B E B  
and blow your big body blues away
