

**Bajo Sexto**  
**Chingon**

**Am** **Dm**  
I heard he played the deathnail for a big band,  
**E** **Am**  
He drank himself into an early grave.  
**Am** **Dm**  
He carried a gun and a bottle of tequila,  
**E** **Am**  
His fingers flew like fire when he played.

**F** **C**  
Play the bajo sexto now for Johnny,  
**E** **Am**  
Play it slowly, play it soft and low.  
**F** **C**  
Play the bajo sexto now for Johnny,  
**E** **Am**  
Johnny's laying down now six below.

**Am** **Dm**  
He played for women and he played for money,  
**E** **Am**  
He took their silver and he took their fame.  
**Am** **Dm**  
He followed them into their secret bedrooms.  
**E** **Am**  
He made the wildest cats go calm and tame.

**F** **C**  
Play the bajo sexto now for Johnny,  
**E** **Am**  
Play it slowly, play it soft and low.  
**F** **C**  
Play the bajo sexto now for Johnny,  
**E** **Am**  
Johnny's laying down now six below.

**Am** **Dm**  
At last he danced with a lady, who was taken,  
**E** **Am**  
He twirled her once to many on the floor.  
**Am** **Dm**  
Her husband was man of great importance,  
**E** **Am**  
Now Johnny isn't dancing anymore.

**F** **C**  
Play the bajo sexto now for Johnny,

**E** **Am**  
Play it slowly, play it soft and low.

**F** **C**  
Play the bajo sexto now for Johnny,

**E** **Am**  
Johnny's laying down now six below.

**F** **C**  
Play the bajo sexto now for Johnny,

**E** **Am**  
Play it slowly, play it soft and low.

**F** **C**  
Play the bajo sexto now for Johnny,

**E** **Am**  
Johnny's laying down now six below.

A great mexican-badass (:P) song , enjoy my first tab/chord. By a simple norrlänning (Swedish) :D
