All the good girls are scared of me even though I ve done nothing wrong

A D A E
They say I m trying harder than I have to be I ain t trying to cut no one s
A
lawn

A D A
I got one of those haircuts and a distant stare guess I m kinda young for my
E
looks

A D A A
And then I ll shave my chest till there s nothing there and it never got
E A
nothing done

D E G/A G/A
Well as I look down from under my itty bitty book light

D E G/A G/A
I think that my friends think I should get on that horse again

D E F#
Maybe they got a point cuz I sit alone here every night

D E A
And talk to myself as I apply face cream before bed

Good girl did you have to be a good girl

A
Would you think that it be better if I lied

D
You and me are gonna make it if we try

A E

Good girl did you have to be a good girl
