[Verse]

I miss the pain of the heat on my thighs

When the sun had been beating on the playground slides

I miss when my world was as small as me

Just the neighbor kid and my family

I wanna wear my old sundress

I wish I felt as pretty as I did

**F**

I wanna go back and try again

**Bb**

Maybe this time I can win

I feel angry, and I feel bored

**F**

There is no more wonder left

Now that I know everything

I wanna go back before I knew

Anything about the world, or anything about you

[Instrumental]

**F Bb F Bb**

[Verse]

**F**

I wish my parents loved me like

**Bb**

I was still their brand new child

**F**

Before I ever lost their pride

**Bb**

Before they knew who I was inside

[Verse]

**F**

Now I feel heavy and I feel so numb

**Bb**

I wanna get real stoned til I throw up

**F**

Cause nothing feels the way it did

**Bb**

When I was a little kid

[Outro]

**F Bb F Bb**
