Capo 3

(Intro **Cadd9**, **Em7**, **Dsus4**)

**Cadd9**

Iâ€™ve been living in this house here

**Em7**

**Dsus4**

Since the day that I was born

**Cadd9**

These walls have seen me happy

**Em7**

**Dsus4**

But most of all theyâ€™ve seen me torn

**Cadd9**

Theyâ€™ve heard the screaming matches

**Em7**

**Dsus4**

That made a family fall apart

**Cadd9**

Theyâ€™ve had a front row seat

**Dsus4 D**

To the breaking of my heart

**G Cadd9**

7 times 70 times

**Em7**

**Dsus4**

Iâ€™ll do what it takes to make it right

**G Cadd9**

I thought the pain was here to stay

**Em7**

**Dsus4**

But forgiveness made a way

**G Cadd9**

7 times 70 times

**Em7**

**Dsus4**

Thereâ€™s healing in the air tonight

**G Cadd9**

Iâ€™m reaching up to pull it down

**Em7 Dsus4 G**

Gonna wrap it all around

**Cadd9**

I remember running down the hallway

**Em7**

**Dsus4**

Playing hide-and-seek

**Cadd9**

I didnâ€™t know that I was searching

**Em7**

**Dsus4**

For someone to notice me

**Cadd9**

I felt alone and undiscovered

**Em7**

**Dsus4**

And old enough to understand

**Cadd9**

Just when Iâ€™m sâ€™posed to be learning to love you

**Dsus4**

**D**

Let me doubt again

**G Cadd9**

7 times 70 times

**Em7**

**Dsus4**

Iâ€™ll do what it takes to make it right

**G Cadd9**

I thought the pain was here to stay

**Em7**

**Dsus4**

But forgiveness made a way

**G Cadd9**

7 times 70 times

**Em7**

**Dsus4**

Thereâ€™s healing in the air tonight

**G Cadd9**

Iâ€™m reaching up to pull it down

**Em7**

**Dsus4 G**

Gonna wrap it all around

**Em7**

I lost count of the ways you let me down

**Cadd9**

**Em7**

But no matter how many times you werenâ€™t around

**Dsus4 Cadd9**

Iâ€™m all right now

**Em7**

God picked up my heart and helped me through

**Cadd9**

**Em7**

And shined a light on the one thing left to do

**Dsus4 Cadd9**

And thatâ€™s forgive you

**Cadd9**

I forgive you

G (let ring) Cadd9 (let ring)

7 times 70 times

**Em7**

**Dsus4**

If thatâ€™s the cost Iâ€™ll pay the price

**G Cadd9**

7 times 70 times

**Em7**

**Dsus4**

Iâ€™ll do what it takes to make it right

**G Cadd9**

I thought the pain was here to stay

**Em7**

**Dsus4**

But forgiveness made a way

**G**
