

**Restore**  
**Chris August**

Restore  
By: Chris August

Standard Tuning: E-A-D-G-B-E

Notes:

Play the verse tab throughout each verse or just play the chords. The verse tab just repeats itself throughout the verse. Do not play the verse tab during the chorus or bridge, just play the chords. The verse tab is not exactly like the actual song. It's just something simple and great sounding, especially for beginners. Learn It and Enjoy!
