

The Upside Of Down
Chris August

Hey! This is my first tan submitted. I hope you enjoy! This is in the natural tuning of the song. I listened by ear, so feel free to tell me if there is anything wrong. =D

The Upside Of Down - Chris August

Intro: **C# F#**

C# **G#**
The downside of being up is my inside is empty of
Bbm **F#**
The one thing my heart truly needs
C# **G#**
When I feel invincible a million miles from miserable
Bbm **F#**
It s always all about me

C# **G#** **Bbm**
I don t know why I don t love You like I should, like You would
F#
Through bad and good oh

[Chorus:]

C# **G#** **Bbm** **F#**
Funny how we figure out where happiness is found
C# **G#** **Bbm** **F#**
In the midst of this sadness I m closer to You now
C# **G#**
And thatâ€™s the upside of down, the upside of down
Bbm **F#**
Itâ€™s all switched around, I lost and I found
C#
The upside of down

C# **G#**
You are more in my less, You are strength in my weakness
Bbm **F#**
I ll never go back again
C# **G#**
And then Your sunshine ends the rain and I return to my old ways
Bbm **F#**
Why am I a fair weather friend?
C# **G#** **Bbm**
I wanna be the one to love You like I should, like You would
F#

Through the bad and good oh

C# **G#** **Bbm** **F#**

Funny how we figure out where happiness is found

C# **G#** **Bbm** **F#**

In the midst of this sadness I m closer to You now

Bbm **F#** **C#** **G#**
Thatâ€™s the upside of tragedies knowing You re holding my heart always, always

Bbm **F#** **C#** **G#**

I may be down but I m finding there s joy in the pain, in the pain

C# **G#** **Bbm** **F#**

Funny how we figure out where happiness is found

C# **G#** **Bbm** **F#**

In the midst of this sadness I m closer to You now

C# **G#**
And thatâ€™s the upside of down, the upside of down

Bbm **F#**
Itâ€™s all switched around, I lost and I found

C#
The upside of down
