Want To Be Real
Chris August

Chris August I Wanna Be Real
Into: **A D** Bass: **G#**,**A**,**E**

A   E
I've never said this before
                    D2
I've never opened that door so wide
A   E
No one else is around
                    D2
There is no good reason for me to hide
F#   D2
And I, I want to be real

Chorus:
A   E
So I'm throwin out words I don't fully understand
                F#
I could be talkin to myself but I
don't think I am
E
Cause you're always there through the fight
D   D
Savin my heart from the doubt inside

A   D

A   E
I'm not the man that I was
    D
I used to see you in highs and lows
A   E
But now I keep on believing
    D
And even if I can't see, you show
F#   D2
And I, I want to be real oh, yea

Chorus

Bridge:
F# D
And I, I want to be real x2

F#
There's too much at steak and im
    D

tired of fakin I just wanna be real I
D
just wanna be real. X2
F#
There's too much at steak I don't
     D
care if I Break I just wanna be real
      D2
I wanna be real

Chorus
You're always right by my side

A
I've never said this before
          D
I've never opened the door so wide
But I think it's time
