

Evaporate

Chris Ayer

D F#m Gm
I don't mind being alone

D F#m Gm A
I don't mind seeing that I'm here on my own

Bm F#m
it's the choice that I've chosen

Gm A Bm F#m
and maybe we're all opening our eyes

Gm A
to the wise man inside

Gm
who gives answers to questions

A
and makes life a lesson

G A
in hoping to the point of denial

Bm F#m
all the way to the earth from the sky

G Gm A
newly made today so I sink when I fly

G A
it's in the way that I walk crooked lines

G A
gaining strength all the time

G A Bm F#m
and by the ocean I'm told we'll all be the same

G A G
a thousand pieces of an ocean arriving and changing

A Bm F#m
wait for the day when we'll evaporate

D F#m Gm
I don't mind being scared

D F#m Gm A
I don't mind seeing that I'm under-prepared

Bm F#m
it's the life that I've chosen

Gm A
and the way that it's going

Bm F#m Gm A
shows that I ought to give into my thoughts,

G A
the philosopher's prayer: please show me I'm here

G A
so that I can be okay to go

Bm **F#m**
all the way to the earth from the sky
G **Gm** **A**
newly made today so I sink when I fly
G **A**
it s in the way that I walk crooked lines
G **A**
gaining strength all the time
G **A** **Bm** **F#m**
and by the ocean I m told we ll all be the same
G **A** **G**
a thousand pieces of an ocean arriving and changing
A
wait for the day when we ll evaporate

Bm **F#m** **G** **A** (x3)
we ll evaporate (evaporate)

Bm **F#m** **G** **A** (x3)
we ll change..

D
someday
