What Do i Do.. Stop Go Fail Succed? Live or Die? I Just Got To Believe

Believe its worth saving  
And to get lost, lost in a day dream  
So why hesitate  
Take me to another place  
So far far away  
So i can get out of the dark  
High speed, like Iâ€™m racing  
Itâ€™s like lighting, sky is blazing  
But youâ€™ve lost your way, Youâ€™ve been lead astray  
Are there better days for my fallen dreamer
