

Electric Guitar
Chris Brown

Chords G, D, A for the whole song cept the bridge. Not sure about the bridge

Intro

fingerpick **G, D, A** x2

verse

G **D** **A**
He plays the sweetest melody.

G **D** **A**
When I hear, it takes over me.

G **D** **A**
And I feel every strum of the strings.

G **D** **A**
It reminds me of all the things we used to be.

G **D**
Can t breathe at all cause you re coming.

G
Coming through my speaker, speaker
D
got me trying to reach ya, reach ya.

A
My analogue feature, feature,
my electric guitar.

G
Everytime I mind you, mind you
D
everytime I m by him, by him.

A
You re ripping it up on them chords,
playing my heart.

G **D** **A**
Electric guitar, electric guitar, electric guitar.

G **D** **A**
Electric guitar, electric guitar, electric guitar.

(same chords)

It kills me that I can t be with you,
thought I was the key you re playing.
Don t know I just gotta, be the one you let bleed out.
Wish I didn t know you, got me feeling stuck.
I can t let you go, just my luck.
Falling down without you,
can you pick me up?
And now I cant get you off my head.
because youre comming.

G

Coming through my speaker, speaker

D

got me trying to reach ya, reach ya.

A

My analogue feature, feature,
my electric guitar.

G

Everytime I mind you, mind you

D

everytime I m by him, by him.

A

You re ripping it up on them chords,
playing my heart.

G

D

A

Electric guitar, electric guitar, electric guitar.

G

D

A

Electric guitar, electric guitar, electric guitar.

I m losing my composure, all quit, game over.
You must think that I m crazy, girl.
Please control me with your melody.
I ll play it for the world,
cause I m your girl and I just wanna hear (So)

(Electric guitar solo)

Chorus

G

Coming through my speaker, speaker

D

got me trying to reach ya, reach ya.

A

My analogue feature, feature,
my electric guitar.

G

Everytime I mind you, mind you

D

everytime I m by him, by him.

A

You re ripping it up on them chords,
playing my heart.

G

D

A

Electric guitar, electric guitar, electric guitar.

G

D

A

Electric guitar, electric guitar, electric guitar.

Play **G D A** till end
