Electric Guitar Chris Brown Chords G, D, A for the whole song cept the bridge. Not sure about the bridge Intro fingerpick G, D, A x2 verse G D Α He plays the sweetest melody. G D Α When I hear, it takes over me. G D Α And I feel every strum of the strings. G D А It reminds me of all the things we used to be. G D Can t breathe at all cause you re coming. G Coming through my speaker, speaker D got me trying to reach ya, reach ya. Α My analogue feature, feature, my electric guitar. G Everytime I mind you, mind you D everytime I m by him, by him. Α You re ripping it up on them chords, playing my heart. G Α D Electric guitar, electric guitar, electric guitar. G D Α Electric guitar, electric guitar, electric guitar. (same chords) It kills me that I can t be with you, thought I was the key you re playing. Don t know I just gotta, be the one you let bleed out. Wish I didn t know you, got me feeling stuck. I can t let you go, just my luck. Falling down without you, can you pick me up? And now I cant get you off my head. because youre comming.

G Coming through my speaker, speaker D got me trying to reach ya, reach ya. Α My analogue feature, feature, my electric guitar. G Everytime I mind you, mind you D everytime I m by him, by him. Α You re ripping it up on them chords, playing my heart. G Α Electric guitar, electric guitar, electric guitar. G Electric guitar, electric guitar, electric guitar. I m losing my composure, all quit, game over. You must think that I m crazy, girl. Please control me with your melody. I ll play it for the world, cause I m your girl and I just wanna hear (So) (Electric guitar solo) Chorus G Coming through my speaker, speaker D got me trying to reach ya, reach ya. Α My analogue feature, feature, my electric guitar. G Everytime I mind you, mind you D everytime I m by him, by him. Α You re ripping it up on them chords, playing my heart. G D Α Electric guitar, electric guitar, electric guitar. G D Α Electric guitar, electric guitar, electric guitar. Play G D A till end
