F **Am**
She would be the one, I will see
C **G**
When I get, to heavens gate
F **Am** **C** **G**
She would welcome me with her arms, open wide, and a smile
F **Am**
Will shadow me brighter than the sun
C **G**
She hasn't had a fair chance, so I'll give her one
F **Am**
Let me tell you who she is, yeah

[Chorus]

Am **C** **G** **F** **Am**
She's a fallen angel, sent from heaven up above
C **G** **F** **Am**
She's a fallen angel, waitin for me to love her, yeah

Cause without em my heart just don't go, no more (no more)
I couldn't take the pain, from watchin her fly away
So say that you'll stay
She's mine

[Chorus]

She's a fallen angel, (ooh) sent from heaven up above
She's a fallen angel, waitin for me to love her, yeah
(Know that she's) She's a fallen angel, so take your judgment off her

I know, that sheâ€™s a fallen angel
