

I Love Her Open Road
Chris Brown

Standard Tuning

verse one:

Em7 **C**
i shouldâ€™ve been a better man
G **D**
instead of wasting time spending life searching for the finer things
Em7 **C**
you always gave me another chance to make it right
G **D**
but i didnâ€™t deserve, cause i didnâ€™t understand

chorus:

Em7 **C**
and i feel so bad
G
cause you wouldnâ€™t do the same with me
D
but i know what your weakness is
Em7 **C**
and you feel so bad
G **D**
i know youâ€™re on an open road, so gone iâ€™m looking back

verse two:

i thought i had you on a leash
like i could do whatever i wanted to, and i wanted to, and you was gonna wait
for me baby, nooo
another table is turning off you like youâ€™re the master and iâ€™m on the
strings
youâ€™re in control of me

chorus:

and i feel so bad
and now youâ€™re doing it to me
cause you know what my weakness is
and you feel so bad
and now iâ€™m on the open door, tryna go but iâ€™m looking back

bridge:

Am
iâ€™m looking for her
Em7
iâ€™m trying to find
C
i really need her
G **D**

i think i love her

Am

iâ€™m looking for her

Em7

iâ€™m trying to find

C

i really need her

G D

i think i love her

verse three:

you can blame it all on me

i know inside this because of me

now iâ€™m just like a hitchhiker waiting for a ride with no cause inside

chorus:

and it feels so bad

cause you wouldnâ€™t do the same with me

but i know what your weakness is

and i feel so bad

i know youâ€™re on an open road, long gone i canâ€™t have you back

bridge:

iâ€™m looking for her

iâ€™m trying to find

i really need her

i think i love her

i wanna see her

i donâ€™t ever wanna leave ya

i wanna keep ya

i think i love her
