

New Flame
Chris Brown

C#

There can be one only you

Bbm

G#

And baby, God could never make two

C#

And I know you came here with your crew

Bbm

G#

But I promise you that it feels like it s just us two

C#

Oh, I don t know what you had planned to do tonight

Bbm

G#

But I just wanna be the one to do you right

C#

We re standing here looking at each other

Baby, eye to eye

Bbm

And I m hoping

G#

That you re thinking about leaving with me tonight

Who said

C#

You can t find love in a club?

Cause I wanna tell them they wrong

Bbm

Come on, just baby, try a new thing

G#

And let s spark a new flame

C#

You gon be my baby

Love me, love you crazy

Tell me if you re with it

Baby, come and get it

Bbm

Baby try a new thing

G#

And let s spark a new flame
