

**No Air**  
**Chris Brown**

Intro: **G F Am C**

( **G C** )

If I should die before I wake  
It s cause you took my breath away  
Losing you is like living in a world with no air  
I m here alone, didn t wanna leave  
My heart won t move, it s incomplete  
If there was a way that I can make you understand

**G** **F**  
But how do you expect me  
**Am**  
to live alone with just me

**C**  
Cause my world revolves around you  
**G**  
It s so hard for me to breathe

**G** **F**  
Tell me how I m supposed to breathe with no air  
**Am**  
Can t live, can t breathe with no air  
**C**  
It s how I feel whenever you ain t there  
**G**  
It s no air, no air

**G** **F**  
Got me out here in the water so deep  
**Am**  
Tell me how you gonna be without me  
**C**  
If you ain t here, I just can t breathe  
**G**  
It s no air, no air

( **G F Am D** )  
No air, air  
No air, air  
No air, air  
No air, air

**G C**  
I walked, I ran, I jumped, I flew  
Right off the ground to float to you  
There s no gravity to hold me down for real  
But somehow I m still alive inside

You took my breath, but I survived  
I don't know how, but I don't even care
