

Open Road
Chris Brown

(Capo 7th fret)

Intro - **Em7 D Cadd9** x3 Last time through **Em C**

Am **C**
I shouldâ€™ve been a better man
G
Instead of wasting time spending my life
Em7
Searching for the finer things
Am **C**
You always gave me another chance to make it right
G
But I didnâ€™t deserve
Em7
Cause I didnâ€™t understand

(Chorus played hard)

Am **C**
And I feel so bad
G
Cause you wouldnâ€™t do the same to me
Cadd9
But I know what your weakness is
Am **C**
And you feel so great
G
And now youâ€™re on an open road
Cadd9
So gone, not looking back

(Same as verse 1)

I thought I had you on a leash
Like I could do whatever I wanted to when I wanted to
And you was gonna wait for me baby
And now the tables have turned
And now I feel like
Youâ€™re the master and Iâ€™m on the strings
Youâ€™re in control of me

(Same as chorus 1)

And I feel so bad
Cause you wouldnâ€™t do the same to me
But I know what your weakness is
And you feel so great
And now youâ€™re on an open road
So gone, not looking back
