Back where her heart belongs, been gone from me for way too long

Tell her I m sorry, I m really sorry  
Can you forgive me?  
Please forgive me  
And come back home, keep me safe and warm

All the girls across the world

If you ever see her  
If you ever meet her  
If you ever get a chance to sit down and talk to her  
Let her know it s so cold  
It s so cold, it s so cold  
Here without her
