

Wet The Bed
Chris Brown

[Ludacris]

[A]

Hear the sound of your body drip, drip, drip

[E]

As I kiss both sets of lips, lips, lips

[F#m]

Hear the sound of your body drip, drip, drip

[D]

As I kiss both sets of lips, lips, lips

[Chris Brown]

[A]

[E]

I ain't afraid to drown, if that means Iâ€™m deep up in your ocean, yeah

[F#m]

[D]

Girl Iâ€™ll drink you down, sipping on your body all night

[A]

I just wanna take your legs and wrap them round

Girl you cumminâ€™ right now

[E]

My head to your chest feeling your heartbeat, girl

[F#m]

Swimming all in your sea

And you sweatinâ€™ all over me

[D]

Girl, bending forward, donâ€™t you run, girl

[A]

[E]

I donâ€™t want to be a minute man

[F#M]

Baby you're just like a storm

[D]

Raininâ€™ on me girl, you're soakinâ€™ wet

ooooo, whoaaaaaaa

[Chorus]

[A]

Iâ€™ma kiss you right, yea, yeah

[E]

Iâ€™m gon lick all night, yea, yeah

[F#m]

Girl, when Iâ€™m inside yea, yeah

[D]

Yeah girl, you heard what I said

Iâ€™m gonna make you wet the bed

[A]

Yea yeah

Girl Iâ€™m gonna make you wet the bed

[**E**]

Yea yeah

Iâ€™m gonna make you wet the bed

[**F#m**]

Yea yeah

Iâ€™m gonna make you wet the bed

[**D**]

Iâ€™mma put your legs behind your head

Iâ€™m gonna make you wet the bed

Rest of the song is the same.
