

Yo (excuse Me Miss)

Chris Brown

Intro: **E C#m G#m**

**E**

Whoa Whoa

**C#m**

**G#m**

Do do do do do

Hey...

Yeah

Verso 1:

**E**

Yo,

**C#m**

Tell me fellas have you seen her? (Seen her)

**G#m**

It was about five minutes ago

When i seen the hottest chick

That a young n

Never seen before

**E**

I said Yo,

**C#m**

Tell her girls I want to meet her (meet her)

**G#m**

On second thought that ain t the way to go

I got give her game proper

Spit it so she ll get it

**E**

There she is I got to stop her

**C#m**

Or should i talk about her smile(its been said before)

**G#m**

Or what about her style(too obvious)

Im outta time she s out the door

I gotta go for mine

I think I ll say

Refrão:

**E**

Yo

**C#m**

I dont know your name but excuse me miss

**G#m**

I saw you from across the room

And I got to admit that you got my attention

**E**

You re making me want to say yo

**C#m**

I know you re trying to leave but excuse me miss

**G#m**

I save the last dance for you

How I d love to keep you here with me oh baby

Verso 2:

**E**

Now shorty grab hold of my hand

**C#m**

And let s pretend the floor is ours

**G#m**

You say you don t really dance

Don t worry about it

We ll just 1,2 step

1,2 step

**E**

Now if the music is moving too fast

**C#m**

grab my hand a little tighter

**G#m**

Don t be afraid to move a little closer

Girl, there is something about you that makes me want  
to say

(Refrão 2x)

**E**

Yo

**C#m**

I dont know your name but excuse me miss

**G#m**

I saw you from across the room

And I got to admit that you got my attention

**E**

You re making me want to say yo

**C#m**

I know you re trying to leave but excuse me miss

**G#m**

I save the last dance for you

How I d love to keep you here with me oh baby

( **E** )

**C#m**

I want to be where you are

**G#m**

Ain t nothing wrong with dancing

Baby it s so romantic

**E**

**C#m**

Baby I can be in your heart

**G#m**

So many things i want to tell you

**E**

I think that I should start by saying Yo

**C#m**

I dont know your name excuse me miss

**G#m**

I saw you from across the room

I got to give her game proper

Spit it so she can get it

**E**

There she is- I got to stop her

**C#m**

I know you re trying to leave but excuse me miss

**G#m**

I save the last dance for you

How I d love to keep you here with me oh baby

**E**

Now everbody just clap your hands like this (like this)

**C#m**

**G#m**

Just clap your hands like this (whoo like this)

And if your shorty in the house tonight

Just grab her by the hand homie

**E**

Make her understand yall was made to dance like this (like this)

**C#m**

**G#m**

Yall was made to bounce like this (whoa like this)

Just let her know she was made for you.

**E**

And you want to do everything she want to man.

{Laughs}

Whoo! **C#m G#m**
