Capo 1

Intro: **F, Bsus2, F, Bsus2**

**F** **Bsus2** **F**  
I ll never be anybody s hero or the legend of a story  
**Bsus2**  
Or a saint that s bound for glory, no  
**F** **Bsus2**  
And I ll never know what it s like to swim in money  
**F** **Bsus2**  
Or how it feels not to have to go to work on Monday  
**Dm** **Am** **C**  
I m a simple man, and that s okay  
**Dm** **Am** **C**  
But even a simple man wants to feel this way.

Chorus:

**F** **Bsus2**  
Like the king of his castle, like the leader of the pack  
**Dm** **C**  
Like a man that if you left him, you d just have to have him back  
**F** **Bsus2**  
Like a rock that you would lean on when your world gets too rough  
**Dm** **C**  
Like a man that you would stand beside when he s not so tough.  
**Dm** **Am** **C**  
But even if that s not the man you see  
**F** **Bsus2** **F** **Bsus2**  
Then just love me, just love me.  
**F** **Bsus2**

**F**  
I ll never write a song that lasts forever or a book for all the ages  
**Bsus2**  
But I m not full of empty pages, no  
**F** **Bsus2**  
Cause I got a soul, and I use it for yearnin  
**F** **Bsus2**  
With a heart that skips a beat for you and a fire that keeps on burnin  
**Dm** **Am** **C**  
I m a simple man, yeah, that s okay  
**Dm** **Am** **C**  
But even a simple man wants to feel this way.

Chorus:

**F** **Bsus2**  
Like the king of his castle, like the leader of the pack  
**Dm** **C**  
Like a man that if you left him, you d just have to have him back  
**F** **Bsus2**  
Like a rock that you would lean on when your world gets too rough  
**Dm** **C**  
Like a man that you would stand beside when he s not so tough.  
**Dm** **Am** **C**  
But even if that s not the man you see  
**F** **Bsus2** **F** **Bsus2**  
Then just love me, just love me.

**Dm** **Am** **C**  
Oh, I m a simple man, and that s okay  
**Dm** **Am** **C**  
But even a simple man wants to be swept away, and feel

**F** **Bsus2**  
Like the king of his castle, like the leader of the pack  
**Dm** **C**  
Like a man that if you left him, you d just have to have him back
