

**What Kinda Gone**  
**Chris Cagle**

intro: **E**

Verse:

**E**

I heard the door slam, and i couldn t tell

**A E**

was it just the wind, or was she mad again all hell shes gettin in her car.

**E**

I hallerd baby is there something wrong

**A**

tought i heard her say something sounded like im gone

**B**

**A**

but these days gone can mean so many things

Chorus

**E**

cause theres gone for good and theres good and gone

**B**

**A**

theres gone with a long before it i wish you been just a little more clear

**E**

theres gone for the day and gone for the night

**B**

**A**

gone for the rest of your dog gone life is it whiskey night or just a couple  
beers

**A**

**B**

**E**

i mean what kind of gone are we talkin about here

THATS PRETTY MUCH THE WHOLE SONG
