

Higher Truth
Chris Cornell

D F#m
You can make somebody cry
G Gaug
Go on
C
Do what you like
F G#
I be there by your side
C
I know
E Am
What the future holds

D F#m
You can set the world on fire
G Gaug
Yeah if you want
C
It isn't hard
F G#
I won't be there looking on
C
To see the trail of lies
E Am B
As you fall

Em
But I take the truth
D A
The higher truth
A#m Bm
The higher truth
E
I want the truth
D A
The higher truth
A#m Bm
The higher truth

D F#m
You can fill the world with pain
G Gaug
Yeah if you want
C
I've seen it now

F **G#**
You can fill the world with hate
C
I seen it done before
E **Am**
And I know how it all works out
D **F#m**
Make a promise if you can
G **Gaug**
You know You only break it
F **G#**
Make a promise if you dare
C
Go on right ahead
E **Am** **B**
And let see where it gets you

Em
But I take the truth
D **A**
The higher truth
A#m **Bm**
The higher truth
Em
I want the truth
D **A**
The higher truth
A#m **Bm**
The higher truth
Em **D**
Maybe you and I one day
A **A#m** **Bm**
Will finally choose
D **D7**
A higher truth

C
Come let sit in the sun
G
Feel the world spin around
D
As the birds fly overhead
C
Can you hear the waves
G
Can you feel the rain
D **G**
As it falls upon your face

Em
But I take the truth

D **A**
The higher truth
 A#m **Bm**
The higher truth
 Em
I want the truth
 D **A**
The higher truth
 A#m **Bm**
The higher truth
 Em **D**
Maybe you and I one day
 A **A#m** **Bm**
Will finally choose
 D **D7**
A higher truth

Em
But I take the truth
 D **A**
The higher truth
 A#m **Bm**
The higher truth

Em
I want the truth
 D **A**
The higher truth
 A#m **Bm**
The higher truth
 E **D**

Maybe you and I one day
 A **A#m** **Bm**
Will finally choose
 D **D7**
The higher truth

Can you feel the higher
Can you feel the higher
As it falls around?
