

**Nearly Forgot My Broken Heart**  
**Chris Cornell**

Primeira Parte:

**Dm**                    **G**                    **Dm**  
Everytime I stare into the sun  
**Dm**                    **G**    **F**    **A**  
Try to find a reason to go on  
**Dm**                    **G**                    **Dm**  
All I ever get is burned and blind  
**G**                    **F**                    **G**                    **A**  
Until the sky bleeds the pouring rain  
  
**Dm**                    **G**                    **Dm**  
When you came along the time was right  
**G**                    **F**  
Pulled me like an apple red and ripe  
**A**                    **Dm**                    **G**                    **Dm**  
Wasn t very long you took a bite  
**G**                    **F**                    **G**                    **A**  
And did me wrong and it serves me right

Refrão:

**Dm**                    **A**                    **F**                    **G**  
I nearly forgot my broken heart  
**Dm**                    **G**                    **F**                    **A**  
It s taken me miles away  
**Dm**                    **A**                    **F**                    **G**  
From the memory of how we broke apart  
**Dm**                    **A**                    **Dm**  
Here we go round again

Segunda Parte:

**G**                    **Dm**  
Every little key unlocks the door  
**G**                    **F**                    **A**  
Every little secret has a lie  
**Dm**                    **G**                    **Dm**  
Try to take a picture of the sun  
**G**                    **F**                    **G**                    **A**  
And it wont help you to see the light  
  
**Dm**                    **G**                    **Dm**  
Every little word upon your lips  
**Dm**                    **G**                    **F**                    **A**  
Makes a little cut where blood pours out  
**Dm**                    **G**                    **Dm**  
Every little drop of blood I kiss  
**G**                    **F**                    **G**                    **A**  
That I won t miss not for anything

Dm                      A                      F                      G  
I nearly forgot my broken heart

Dm                      G                      F                      A  
It s taken me miles away

Dm                      A                      F                      G  
From the memory of how we broke apart

Dm                      A                      C  
Here we go round again

**C** **F** **G**  
 Every single feeling tells me this is leading  
**A** **C** **F**  
 To a heart in broken little pieces  
**G**  
 And you know I need this  
**Dm** **C**  
 Like a hole in the head

**C** **F** **G**  
 Every single feeling tells me this is leading  
**A** **C** **F**  
 To a heart in broken little pieces  
**G**  
 And you know I need this  
 Like a hole in the head

**Dm**                    **A**                    **F**                    **G**  
 I nearly forgot my broken heart  
          **Dm**                    **G**                    **F**                    **A**  
 It s taken me miles away  
                  **Dm**                    **A**                    **F**                    **G**  
 From the memory of how we broke apart  
          **Dm**                    **A**                    **C**  
 Here we go round again
