

Only These Words  
Chris Cornell

[Intro] **Em G**

**G**  
In a castle  
**Bm**  
Down a long road  
**Dm C**  
A little girl was born  
**G**  
To a king and  
**Bm**  
To a queen and  
**Dm C**  
Her mother's eyes welled with tears of joy  
**Cm G**  
Staring at the tiny face  
**B C**  
Of a miracle she made

**G D Em C**  
She would say I love you  
**Am F G G**  
She would say I love you

**G**  
Summer came and went  
**Bm**  
Unrolling  
**Dm C**  
Trees all stripped to the bone  
**G**  
Daddy's little girl  
**Bm**  
In his arms, well  
**Dm C**  
They sit upon his throne  
**Cm**  
Who is that thief  
**G**  
Hiding in the dark  
**B C**  
Just a little girl who stole his heart

**G D Em C**  
He would say I love you  
**G D Em C**  
He would say I love you

**Am**                      **F**      **G**

He would say I love you

**Bm**    **Em**

With only these three words repeating

**C**

A simple greeting

**G**

But it s all you would keep

**Bm**    **B**

Clever lips can be misleading

**C**

A tongue can fly away

**Em**      **G**      **A**

And won t come back

**G**

But it s only these words

**D**                      **G Bm Dm C**      **Cm G Em A C D**

We recognize

**G**

6 o clock A.M

**Bm**

The alarm rings out

**Dm**    **C**

Awoken from a dream

**G**

No more castle

**Bm**

Down a long road

**Dm**    **C**

No more kings and no more queens

**Cm**    **G**

But she s a princess none the less

**B**    **C**

And a handsome prince is what she ll get

**G**                      **D**                      **Em**      **C**

He will say I love you

**G**                      **D**                      **Em**      **C**

He will say I love you

**G**                      **D**                      **Em**      **C**

He will say I love you

**Am**    **F**      **G**

He will say I love you

**Am**    **F**      **G**

He will say I love you

**Am**    **F**      **G**      **Bm**      **Dm**      **C**      **G**

He will say I love you
