

Silence The Voices
Chris Cornell

Everywhere you see a * play this just prior to the next D chord:

e|-----|
B|-----|
G|-----|
D|-----|
A|-----|
E|-3-2-|

 D * D
There the soldiers, in the sunlight
 D D F# G
Kill the center of a man in endless suicide
 Em Em
By the night light, in foreing sky
 Em Em G# A
Is a holstered, bridled child spinning round the flame
 D * D
Each is loved now or remembered
 D D F# G
By the mask they wore years before the future
 Em Em
And the horse falls in the smoke filled riot
 Em Em G# A
The center of a child grows in new disguise

Chorus:

D F# G
Where are the songs from the sane minds?
D F# G
And where are words from the sound mouths?
Em G
I can t understand how they silence the voices

Verse:

 D * D
It s a new day, in the old life
 D D F# G
He looks healthy with a tan on the white sheath
 Em Em
Across the table, where the blood dries
 Em Em G# A
Where infinity will greet these earthly confines

Chorus:

D **F# G**
Where are the songs from the sane minds?
D **F# G**
And where are words from the sound mouths?
Em **G**
I can t understand how they silence the voices

Bridge:

Bm **A#** **Am**
That say no

G **F#**
That say no

D **D**
It s a new day, in the old life
D **D**
In the silence of the absence

Chorus:

D **F# G**
Where are the songs from the sane minds?
D **F# G**
And where are words from the sound mouths?
Em **G**
I can t understand how they silence the voices
Bm
That say no
Em **G**
I can t understand how they silence the voices

Outro:
