

When I'm Down  
Chris Cornell

intro: Bb7 , E7/B , C# , C7

What say you now?  
The door is opening on your vigil  
And i m in my usual way  
I save my breath, knowing what you re  
Wanting me to say  
I only love you when i m down

You say that midnight opens its arms to me  
Leaving you alone, and i fly so far away  
Until the light blurs my vision  
And i have nowhere to roam  
I only love you when i m down

And i only love you when i m down  
And i m only near you when i m gone  
But one thing for you to keep in mind, you know  
I m down all the time
