

Wrong Side

Chris Cornell

G#m D#m G#m
When I was just a boy of ten
G#m D#m G#m
My father met a miner s death
B F# B
Trapped inside through twenty nights
F# C#m
No one made it out alive
G#m D#m G#m
So there I was alone but free
G#m D#m G#m
The master of my destiny
B F# B
But trouble found me right away
F# C#m
My close companion since that day

E F# G#m
And I m on the side of wrong again
E F# G#m
I m on the wrong side my friend
E F#
Whichever way the wind is blowing
B C#
No matter where the river bends
E/C# F# G#m
I m on the side of wrong again

G#m D#m G#m
At 21 I fell in love
G#m D#m G#m
To a girl of 16 years
B F# B
But a jealous father ran me down
F# C#m
Left me in the road for dead
G#m D#m G#m
So I decided there and then
G#m D#m G#m
I d find the car, I d take revenge
B F# B
But the fire caught the house and fields
F# C#m
I haven t slept a whole night since

E F# G#m
And I m on the side of wrong again

E **F#** **G#m**
I m on the wrong side my friend
E **F#**
Whichever way the wind is blowing
B **C#**
No matter where the river bends
E/C# **F#** **G#m**
I m on the side of wrong again
E/C# **F#** **G#m**
I m on the side of wrong again

G#m **D#m** **G#m**
I ran three years and finally stopped
G#m **D#m** **G#m**
Cut my hair and found a job
B **F#** **B**
Working in a road café
F# **C#m**
Sleeping in the parking lot
G#m **D#m** **G#m**
Late one night the store was robbed
G#m **D#m** **G#m**
The owner dead his boy was shot
B **F#** **B**
And I m the only one he sold
Fm **C#m**
Now I m waiting for the trap door to drop

E **F#** **G#m**
And I m on the side of wrong again
E **F#** **G#m**
I m on the wrong side my friend
E **F#**
Whichever way the wind is blowing
B **C#**
No matter where the river bends
E/C# **F#** **G#m**
I m on the side of wrong again
E/C# **F#** **G#m**
I m on the side of wrong again
E/C# **F#** **Gm**
I m on the side of wrong again
