And then we go downstairs and start off onto the day
Just one more cup of coffee, and I m on my way,

And when I ve had a heavy day and I m going home,
She gives me time if she sees I want to be alone,
Ah but when the evening s over,
And we go to bed,
Here comes the same old feeling,
It s like a song in my head;

D / / / D / / /

Well all the love I have inside me is for you,
All the love I have inside me is for you,
All the love I have inside me is for you,
