Song : Carry me (like a fire in your heart)

Lyrics transcription : Ted Tur\ ocy  
Chord transcription : Wouter Janssen

[VERSE 1 :]

          G          C                  D  
There is an answer, some day we will know,  
          G          C                  D  
And you will ask her, why she had to go,  
      Bm          G          Bm          G  
We live and die, we laugh and we cry,  
C                  G  
And you must take away the pain,  
      C                  D                  G  
Before you can begin to live again;

[CHORUS]

          G          D                  G  
So let it start, my friend, let it start,  
      C                  G                  D  
Let the tears come rolling from your heart,  
          Bm          C                  G          C  
And when you need a light in the lonely nights,  
      G          D                  Bm          C  
Carry me like a fire in your heart,  
      G          D                  G  
Carre me like a fire in your heart;

[For the rest of the song, use the same chords as above]

There is a river rolling to the sea,  
You will be with her for all eternity,  
But we that remain need you here again,  
So hold her in your memory

And begin to make the shadows disappear;

Yes let it start, my friend, let it start,  
Let the love come rolling from your heart,  
And when you need a light in the lonely nights,  
Carry me like a fire in your heart,  
Carry me like a fire in your heart;

So let it start, my friend, let it start,  
Let the love come rolling from your heart,  
And when you need a light in the lonely nights,  
Carry me like a fire in your heart,  
Carry me like a fire in your heart,  
Carry me like a fire in your heart,  
Carry me like a fire in your heart.
