Lady love, go back to sleep, Dry the tears from your eyes,  
**D** **A** **C**  
But I cannot stay with thee Until the morning,  
**Bb** **D** **A**  
For the dawn is breaking, And my ship is waiting for me,  
**Bb** **F** **Bb** **C**  
And I must go, But I ll be back, yes, Before this year is over;

-----  
**F** **Bb** **F**  
So we sailed across the sea, Till we found America,  
**D** **A** **C**  
Round the Cape of Storms We set our sails for home,  
**Bb** **D**  
And when the sea was roaring And the Lord I called  
**A** **Bb** **F** **Bb** **C**  
To help my drowning men,I saw the light, yes, the candle in your window

-----  
**F** **Bb** **F** **Bb**  
And I have brought you silver, And I have brought you gold,  
**F** **Bb** **D C**  
And spices from the Indies in the hold;  
**F** **Bb** **F** **Bb**

I ve seen ships on the horizon, That I d swear were going down,

**F Bb**

But now I know for certain,

**D C Bb C F**

The world is round, I have seen, my eyes have seen.

-----

**F Bb F Bb**

One day says Galileo, A man will reach the sky,

**F Bb D C**

And see the world completely, From outside,

**F Bb F Bb**

And gazing down from yonder, On a world of blue and green,

**F Bb**

He ll say with eyes of wonder,

**D C Bb C F**

I have seen, I have seen, My eyes have seen.

I have seen, My eyes have seen.
