I really love this song, because it reminds me of my first girlfriend,  
Jenny Mitchell(Take care!), and in my opinion its the best one he ever  
wrote, but I guess, I m just sentimental;-)

Title: Every drop of rain  
>From the album: Best moves

**C** **D** **G**  
They say there will be rain tonight  
**C** **D** **G**  
But that s okay we ll stay inside  
**C** **D** **G**  
This is the first time I have felt so satisfied  
**A** **D**  
I know love has found me  
  
**C** **D** **G**  
And now the night is getting wild  
**C** **D** **G**  
And she is sleeping like a child  
**C** **D** **G**  
I know, I know I know I should be dreaming  
**C** **D**  
But I m tossing and turning - cos I wonder  
**G**  
Oh I wonder  
  
**A**  
How it began  
**C** **G**  
growing in the forest and the freeways  
**A**  
Minute by minute she

**D G**  
Became a part of me  
**C G A**  
And suddenly love is here  
**D**  
And I m falling

**G D E**  
Just like every drop of rain  
**G D C**  
Many drops can someday make a river  
**C G E**  
Many rivers go down to the sea  
**G C D**  
And the sea rolls on forever  
**C,D,G**  
Forever

**C D G**  
And now I sleep til morning light  
**C D G**  
I have no fear of stormy night  
**C D G**  
because the one that I ve wanted all my life  
**A D**  
I right here beside me

And I wonder  
**G**  
Yes, I wonder

**A**  
How it began  
**C G**  
growing in the forest and the freeways

**A**  
Minute by minute she  
**D G**  
Became a part of me  
**C G A**  
And suddenly love is here  
**D**  
And I m falling

**G D E**  
Just like every drop of rain  
**G D C**  
Many drops can someday make a river  
**C G E**  
Many rivers go down to the sea  
**G C D**  
And the sea rolls on forever

**C,D,G**

Forever
