D **A** **Bm** **G D A**
It s five past dreams, I should be home asleep,
F#m **Bm** **G D**
But I just want to keep this moment alive, it s just you and I,
Em **A D Bm**
And I can t deny that I ve had too much to drink tonight,
G D A F#m Em
But everybody s gone, and we re still going strong,
G D Em
Thinking of bed, dancing instead, you re lovely in red;

A G D Em
And we are moving cheek to cheek, and I know that I m with
A G D Em
The only one who makes it right, it s in your eyes, and your smile,
A D
And the way you look tonight;

D A Bm G D A F#m
It s five past dreams, the world is waking up, just like I should
Bm G D Em
Have done a long time ago, maybe I m slow, I just didn t know,
A G D Em
That the saviour of my heart is right here, in my arms, you are
A G D Em
The one who makes it right with your eyes, and your smile,
A D
And the way you look tonight;

[D, D, G, A,] [D, D, G, A,] G

D Em A G
And I know that I m with the only one who makes it right,
D Em A G
It s in your eyes, and your smile, and the way you look tonight;
D Em A
With your eyes, and the way you look tonight.
