Here For You Lyrics

Written by Chris de Burgh

I don't know where the time has gone, suddenly here we are alone,
G **A** **D** **A**
Only a word before you go, everyone's waiting;
D **G** **A** **D** **G** **A**
D
So many friends to say goodbye, so many tears they'll have to cry,
G **A** **D** **A**

So many wings to help you fly where you are going;

D **G** **D** **G** **D** **G**
A
And now a plane must take away my child that life has found,
D **G** **D** **G** **G** **A**
And you will be up in the sky, and I'll be on the ground,
G **A** **D**
Sending my love with you tonight;

D G x3 **D** **A**
I will be waiting,
D G x3 **D** **A**
I will be waiting,
G **A** **D**
here for you, here for you;

I don't know where the years have gone,
Suddenly here, and you have grown,
It was like only yesterday when you were so young;
But here is the day we had to see, always the same eternally,
This is the way that it must be, now it is your world;

And so a plane must take away my child that time has found,
And you will be up in the sky, and I'll be on the ground,
Sending my dreams with you tonight;

I will be waiting..... I'm trying not to show,
But seeing you go, is the hardest thing that I have known;

I will be waiting, don't worry about me, I'll be alright *

I will be waiting, don t worry bout me, I ll be alright,
Here for you, here for you,

I don t know where the years have gone.....
