I ve never seen you looking so lovely, as you did tonight.

I ve never seen you shine so bright... ooo... ooo

They re looking for a little romance, given half a chance.
And I have never seen that dress you re wearing.
Or the highlights in your hair that catch your eyes.
I have been blind.

The lady in red, is dancing with me.... Cheek to cheek.

There s nobody here, it s just you and me.
It s where I want to be.

                                       F
I ve never seen you shine so bright, you were amazing,
I ve never seen so many people want to be there by your side,
                              Gm

And I have never had such a feeling,
