In his winter fields nothing would grow

Only food and a bed for a night

He ordered his slave to turn her away

[Verse 2]

She rode through the night till she came to the light
Of a humble man s home in the wood
He brought her inside, by the firelight she died
And he buried her gently and good
Oh, the morning was bright, all the world snow white
But when he came to the place where she lay
His field was ablaze with flowers on the grave
Of the girl with April in her eyes

[Chorus]

Oh, oh, on and on she goes,
Through the winter s night, the wild wind and the snow,
Hi, hi, on and on she flies,
She is gone, the girl with April in her eyes...
