

The Journey
Chris de Burgh

A **F#m**
Go with love upon your journey, go with wonder in your heart,
A **F#m**
May the light be there to guide you through the terrors of the dark,
Bm **F#m**
You have always been a good friend, but I won't know when you
Bm **E** **F#m**
Have arrived, and I wish that I could see you one more time;

A **F#m**
There's a rainbow on the water, there's an eagle in the sky,
A **F#m**
Can you hear me up where you are, can you see me when I cry?
Bm **F#m**
You have left so much behind you, all the love you have given life,
Bm **E** **A**
And I wish that I could hold you one more time;

C#m **B** **C#m** **B** **A**
And they are always here beside us in a parallel point of view,
G#m **B**
And still they call, the ones who've gone before,
G **D** **E**
Will you take me by the hand when I come through?

You have left so much behind you, all the love you have given life,
Bm **E** **A**
And I wish that I could hold you one more time;

C#m **B** **C#m** **B** **A**
Yes they are always here beside us, in a parallel point of view,
G#m **B**
I hear them call, the ones who've gone before,
G **D** **E**
Will you bring me to the light when I come through?

A **F#m**
Go with love upon your journey, go with wonder in your heart,
A **F#m**
May there be someone beside you, who can hold you in the dark,
Bm **F#m**
When you get down to the river, don't pay him till the other side,
Bm **E** **F#m** **Bm**

And I wish that I could see you one more time, how I wish that I
