

Fences

Chris Frisina

[Verse 1]

Em **G**
Well I was stumbling on stones
C/G
When I came across your bones
D7 **G**
And my reflection in the creek
Em **G**
You know you gave me quite a scare
C/G
How long have you been there?
D7 **G**
You're a regular antique

[Verse 2]

C/G **D7** **G**
If you don't mind I'd like to know
C/G **D7** **G**
Do you rest up high or down below?
C/G **D7** **G**
When the stream overflows
Em
Where will you go?
D7
Where will you go?

[Verse 1]

Em **G**
And I was plucking on my strings
C/G
When I heard the royal kings
D7 **G**
And they were all fighting about the land
Em
What's yours was yours
G
But now is mine man
C/G
Can't you read the sign
D7 **G**
Take your flag from out my sand

[Verse 2]

C/G **D7** **G**
So pardon me your royalty
C/G **D7** **G**
I'm just a blind man and you can't see

C/G **D7** **G**
That this just my favorite tree

Em
So let me be

D7
Please let me be

[Chorus]

G
Because I said life

C/G **G**
Is not a problem to be solved

C/G **G**
It is a gift to be enjoyed

Em **D7**
But all the curses I avoid

G
They wander back

Em **D7**
And the more fences I put up

G
I feel trapped

C/G **Cmaj9/B** **Am**
You know I give and I give and I give

C/G **Cmaj9/B** **Am**
You know I give and I give and I give

D7 **G**
And I get nothing back

[Instrumental]

Em G C/G D G Em G C/G D G

[Verse 1]

Em **G**
And we were both eating mighty fine

C/G
At a restaurant so devine

D7 **G**
That my taste buds couldnâ€™t bear

Em **G**
They brought me out some fancy wine

There was flavored water

C/G
It was lemon lime

D7 **G**
With some shiny silverware

[Verse 2]

C/G **D7** **G**
In my mind we dine and ditch

C/G **D7** **G**
Leave the cooks all the tips
