

We Dont Try
Chris Garneau

INTRO: E x5

A D
You say you wanna die
F#m E
Cause the things don t work out right,
A D
But you don t even try,
F#m E
Though, neither do I,
A D
And neither do my friends,
F#m E
Though some of them pretend,
A D
And it s easy if you cry,
F#m E
Cause you feel bad for yourself.

A D
I think about my friend who died
F#m E
And how her kids didn t get to say goodbye.
A D
Though, neither did I.
F#m E
No, neither did I,
A D
And neither did my friends,
F#m E
Though some of them pretend
A D
And it s easy if you cry,
F#m E
Cause you feel bad for yourself.

A D
If you pretend everything s fine,
F#m E
I won t hurt myself or lie
A D
To you or mom or dad,
F#m E
Just pretend that I m not sad
A D
