

Chorus:

Chorus:

Chours :

Something was different and i tried to explain

My mind paints a picture of of a beautiful face

Nothing makes sence and i cant relate

My mind wont focus and i cant see stright

I dont care lifes too short

You get knocked down and you jump back up

You get knocked down and you jump back up

You get knocked down and you jump back up

Chours:End

First tab hope you like!
