Standard Tuning - EADGBE

B **C#m**
Sometimes when you wake up and you can't get outta bed
F#m **B**
With the world on your shoulders and a pounding in your head
B **C#m**
When your drowning in the water woah and you can hardly breathe
F#m **A** **E**
Find the motion in the ocean. Hold your head up and believe that
G#m **C#m**
You got no real reason to feel down
D#m **C#m**
Listen to my brand new sound

Chorus:

B **F#m**
Woaaah this is my anthem, sung to all of you people
G#m **B**
If your faith is shaken, listen and be stable
B **F#m**
Though the rain is heavy and the road is long
A **E** **B**
Sing it with me and be strong. This is my anthem song.
B **C#m**
When your will seems to be leaving on the last train home
F#m **B**
When you lose track of your love, and forget where you come from
B **C#m**
Take a lesson in the rhythm go on rock out to the rhyme
F#m **A**
Keep the beat square underneath your feet and you might make it out
E
this time
G#m **C#m**
Cuz you got no real reason to be wrong.
D#m **C#m**
Listen to my brand new song

Chorus

B **C#m**
Jack be nimble jack be quick, jack jump over that candlestick

F#m **A** **E**
 But sometimes he slip sometimes he fall and the whole wide world don t matter at
 all
B **C#m**
 Then Jack meet Jill she kinda cute, baby ainâ€™t nobody ever bullet proof
F#m **A** **E**
 Here s a little bitty piece of God s simple truth. I love you the way you are.

Bridge:

B **Dbm** **Ebm** **E**
 Rise up now yâ€™all, Rise up now yâ€™all. Rise up now yâ€™all. Come on rise up.

Repeat

Repeat Chorus

A **E** **B**
 Sing it with me and be strong... this is my anthem song.
