Standard Tuning - EADGBE

Verse 1:

**Em**            **C**                    **G**                    **D**  
I met a girl on the edge of a cliff called consequence  
          **Em**                    **C**                    **G**                    **D**  
She says, this is a place we all lose touch sometimes  
          **Em**                    **C**                    **G**                    **D**  
But the arctic air in your smile, is something I aint seen in awhile  
**Em**                    **C**                    **G**                    **D**  
Would you mind, lying next to me tonight

Prechorus:

**C**                                            **D**  
And this is not the life I wanted  
          **C**                                            **Cm**  
This is not the life I planned

Chorus:

**G**                                            **D/F#**  
And I took a dive towards heaven  
                  **Em**                    **D**                    **C**  
Just to see if God still knew my name.  
                  **G**                                            **D/F#**  
Id been lying next to lonely for an awful long time  
**Em**                    **D**                    **C**  
A shadow who knows no shame.  
                  **D**  
But Im not insane.  
                                          **Em**    **C**    **G**    **D**  
Im just a little bit crazy  
                                          **Em**    **C**    **G**    **D**  
Im just a little bit crazy

**Em**                    **C**                    **G**                    **D**                    **Em**  
I met a girl on the edge of a crowded overpass  
**C**    **G**    **D**  
09, 15-501  
**Em**                    **C**                    **G**                    **D**

She says Im afraid to feel. This night cant be real

**Em C G D**

Oh cuz I cant believe the devils won and

**C D**  
And this is not the life I wanted

**C Cm**  
This is not the life I planned

**G D/F#**  
And she took a dive towards heaven

**Em D C**  
Just to see if God still knew her name.

**G D/F#**  
Shes been lying next to lonely for an awful long time

**Em D C**  
A shadow who knows no shame.

**D**  
Shes not insane.

**Em C G D**  
Shes just a little bit crazy

**Em C G D**  
Shes just a little bit crazy

**Em C G D**  
Oh shes crazy crazy crazy

**Em C G D**  
Shes just a little bit crazy sometimes

Bridge:

**F Am**  
and I just thought yes, you were so thoughtless

**C G**  
If you all thought this would be OK

**F Am**  
When all I needed was to be needed

**C Cm**  
When everyone needed me to go away

**G D/F#**  
And I took a dive towards heaven

**Em D C**  
Just to see if God still knew my name.

**G D/F#**  
Then an angel in blue, pulled me through

**Em D C D**  
Singing baby, no need to be ashamed.. .youre not insane

**Em C G D**  
Youre just a little bit crazy

**Em C G D**  
Just a little bit crazy

**Em C G D**  
Come on youre crazy

**Em C G D**

Just a little bit crazy
