Chris Hillman Morning Sky written by Dan Fogelerg

**G** **C** **G**  
You and I were lovers all along  
**C** **G** **Am** **D**  
We had a good thing going strong and never doubted  
**G** **C** **G**  
Lately I feel changes coming on I know  
**C** **G** **C** **G** **Am** **D**  
That I will soon be gone and you don t even want to talk about it  
**Em** **Ebaug** **C**  
Ooh and it makes me stop and wonder why  
**Em** **Ebaug** **C**  
People give their hearts and turn around and say goodbye  
**G** **C** **G** **C**  
If there s something on your mind you better say it while there s time  
**G** **D** **G**  
Cause I m leaving when I see that morning sky  
**G** **C** **G**  
Ooh how did we ever come to this  
**C** **G** **Am** **D**  
There s nothing for me in your kisses any more  
**G** **C** **G**  
Late nights in the kitchen I pretend that I still care  
**C** **G** **C** **G**  
But we both know there s nothing there and you just keep on staring  
**Am** **D**  
at the door  
**Em** **Ebaug** **C**  
Ooh and it makes me stop and wonder why  
**Em** **Ebaug** **C**  
People give their hearts and turn around and say goodbye  
**G** **C** **G** **C**  
If there s something on your mind you better say it while there s time  
**G** **D** **G**  
Cause I m leaving when I see that morning sky
