              My Baby s Gone written by Hazel Houser
Herb Pedersen
Hold back the rushing minutes
Make the wind lie still
Α7
Don t let the moonlight shine across the lonely hill
Dry all the raindrops hold back the sun
Α7
My world has ended my baby s gone
The milkman whistles sofltly as he comes up to my door
      A7
And the mailman bring the letters by just like he did before
                             D7
They seem so busy all day long as if there s nothing wrong
Don t they the know the world has ended my baby s gone
Hold back the rushing minutes
Make the wind lie still
Don t let the moonlight shine across the lonely hill
Dry all the raindrops hold back the sun
Α7
My world has ended my baby s gone
```

Α7

I wake up sometimes in the night And realize you re gone Α7 And then I toss upon my bed And wait for day to come I tried to tell my lonely heart D7 It must go on alone **A**7 But it cries the world has ended my baby s gone Hold back the rushing minutes Make the wind lie still Α7 Don t let the moonlight shine across the lonely hill Dry all the raindrops hold back the sun Α7 My world has ended my baby s gone Α7
